

CONFERENCING IS LIKE TELEPORTING, ONLY YOU GET TO KEEP ALL OF YOUR MOLECULES INTACT.

Be everywhere at once. DHL Secure Conferencing Powered by BT lets you make the connections you need to make – from impromptu updates to major presentations – without having to leave your desk.

DHL Secure Conferencing has everything you need to conduct your remote meeting needs:

- With **DHL TeamConnect**, you can manage and schedule all of your audio and web conferencing needs.
- With **audio conferencing**, you can meet spontaneously with the people you need to reach around the globe.
- If you have visuals to share, use **web conferencing**, the perfect solution for collaborative meetings such as training sessions, sales updates and status meetings with up to 500 participants.

To register for an account or a training session visit the DHL TeamConnect website at <http://conferencing.dhl.com>. For more information, please call the DHL Secure Conferencing Help Desk at 888.211.7522 or +1.617.786.4193.
